

30 stdin defaults · 28 stdout defaults · 597 tests

Newick tree(s) + taxon/trait tables + reference trees

Shared inputs: stdin or path · explicit/automatic Newick formats · quoted-name control

Inspect & normalize (7)

validate · info · sanitize
nwkw2table · table2nwkw
nhx2nwkw · printlabel

Transform (12)

collapse · drop · intersection
label · mark · prune · rename
rescale · root · shuffle
subtree · transfer

Summarize tree sets (3)

dist
cladefreq
consensus

Use taxonomy & traits (4)

constrain · monophyly
sample · skim

Analyze & present (4)

asr · mcmctree
draw · image

Shared outputs: stdout or path · documented table fields · explicit stochastic seeds

Newick · TSV · annotated trees · figures · image/attribution manifests
